

Growing authentic relationships to become like Christ & reflect His love to our communities.

What Is a SMALL GROUP?

Despite our busy lives, we may feel alone or disconnected from those around us. Being part of a Small Group is a wonderful way to connect with others and make our big church feel small. Small Groups meet regularly in various homes throughout the surrounding areas. The focus of these groups is to develop authentic relationships while encouraging one another on our spiritual journey to become more like Christ.

Why are Small Groups IMPORTANT for me?

Whether you are a person who is new to church or someone who has been a committed Christian for a long time, we all have one thing in common: we need people to love and encourage us. Small Groups offer a wonderful sense of belonging with a balance of fellowship, Bible study, prayer, support and service in a safe, informal environment which will grow your relationship with Jesus and the Calvary family.

What will my COMMITMENT be?

Members are encouraged to come with a willingness to invest in intentional relationships with members of the group and experience the joy of growing together in their spiritual journey. Small Groups "live life" together by gathering for regular meetings, social activities and service opportunities.

Community • Authenticity • Transformation • Service

"It is in small groups that people can get close enough to know each other, to care and share, to challenge and support, to confide and confess, to forgive and be forgiven, to laugh and weep together, to be accountable to each other, to watch over each other and grow together... Small groups are God's gift to foster changes in character and spiritual growth."
