Part 2 of the *Simple Christmas* sermon series

Pastor Shawn Thornton — Weekend of **December 8–9, 2018**

## **A Humble Stable** — Luke 2:1–12

---

*We should live with the same humility with which Christ was born.*

---

To do that, we must be willing...

**1. To submit ourselves to others**

— even when they don't deserve it (1–2)

**2. To live in obscurity**

— even when we have the right to be noticed (3–4)

**3. To be misunderstood by others**

— even when it's because of our God-given mission (5)

**4. To be marginalized and overlooked by others**

— even when we are at the center of God's will (6–7)

**5. To be surrounded by people who can't advance our cause**

— even when our cause is critical (8–12)

---

*Are you living your life with the same humility with which Christ was born?*
