## Dare to Hope — Lamentations 3:1–66

---

*When life shouts at you that all hope is lost,  
you can either dare to hope or surrender to despair!*

---

**When you dare to hope,  
you rehearse over and over again...**

### **1. The Faithfulness of God's Love (22–24)**

***Because God is faithful...***

- *His love never ends*
- *His love never fails*
- *His love is always fresh*
- *His love is always reinvigorating*

### **2. The Goodness of God's Heart (25–33)**

***Because God is good...***

- *His heart defines what is good for you*
  - *His heart describes what is helpful for you*
  - *His heart desires what is best for you*
- 

**Are you daring to hope or surrendering to despair?**
